SPONSORSHIP & EXHIBITION PROSPECTUS

WELCOME FROM THE CONFERENCE ORGANISING COMMITTEE

Dear Industry Partners,

On behalf of the Australasian Osseointegration Society (AOS) and the Australian Prosthodontic Society (APS), it is with great enthusiasm that we invite you to partner with us for our combined conference, taking place in vibrant Melbourne from 6–8 August 2026.

Our 2026 theme, *Beyond the Horizons*, represents a bold step forward in clinical innovation, research, and thought leadership. It's about exploring what's next for dentistry – and your organisation has a valuable role to play in that journey.

This conference will offer a dynamic and future-focused platform to engage directly with dental professionals across all career stages – from early-career clinicians to senior decision-makers. With a reimagined program format, extended keynote sessions, and point-counterpoint debates culminating in live panel discussions, we're building a program designed to drive attendance, engagement, and discussion.

We are curating a world-class speaker lineup, with international thought leaders who have not recently presented in Australia, ensuring the content is not only fresh, but also globally relevant. We anticipate this will be one of the most talked-about conferences in our region – an event that will draw a wide and influential audience.

This prospectus outlines a range of sponsorship and exhibition opportunities designed to maximise visibility, foster meaningful connections, and position your brand alongside the very best in dental education and innovation.

From premium sponsorship packages to bespoke activation opportunities, there is flexibility to align your objectives with the elements of the conference that matter most to you.

With an engaged professional audience, a centrally located venue (Crown Melbourne), and a program that promises depth, debate and discovery, Beyond the Horizons is the ideal event to showcase your support for the future of dentistry.

We warmly invite you to join us on this exciting journey – to partner, exhibit, and connect as we shape what lies ahead.

We look forward to welcoming you to Melbourne in 2026.

Warm regards,

Dr Jonathan Ng
Federal President
Australasian Osseointegration
Society (AOS)

Dr Daniel Tan

Society (APS)

ABOUT THE HOSTS

Australasian Osseointegration Society (AOS)

The AOS is a national and international community of dental professionals dedicated to the advancement of implant dentistry. Members include dentists, technicians, hygienists, industry representatives, and allied professionals. With five active Australian branches, AOS delivers a comprehensive program of seminars, lectures, and workshops each year.

Australian Prosthodontic Society (APS)

Founded in 1961, the APS promotes excellence in fixed and removable prosthodontics. With over 400 members across state branches, APS offers a rich program of educational events and has supported prosthodontic research for more than 20 years through its grants program. We're excited to co-host this biennial conference and deliver a dynamic learning experience.
