

Terms and Conditions

Cancellation and Termination

Any cancellations must be submitted in writing to the Conference Organiser.

No refunds will be provided for cancellations of sponsorship packages.

Exhibition stand/site cancellations received on or before Sunday 31 May 2026 will receive a full refund, less an administration fee of \$150 + GST. Cancellations received from Monday 1 June 2026 onwards will be charged 100% of the exhibition fee. No refunds will be made for no-shows.

The NZ Dental Congress is delivered jointly by NZDA, NZOHA and NZIDT, each operating its own scientific programme alongside a shared expo.

If one Association is required to cancel its individual programme (e.g. due to low registrations), the Congress as a whole, including the shared expo, will continue. Sponsorship and exhibition commitments will remain in place, and no refunds will be issued, as exhibitors and sponsors will still receive access to the full Congress expo and remaining delegate groups.

If the entire NZ Dental Congress is cancelled due to circumstances beyond the control of NZDA, NZOHA and NZIDT, or for health and safety reasons, all sponsorship and exhibition fees will be refunded, less any reasonable expenses already incurred by the organisers at the time of cancellation.

NZDA may modify the time, date, venue, or delivery method of the Congress or Expo upon written notice. If a modification is required, refunds may be made at the discretion of NZDA, less any expenses incurred. NZDA's total liability will not exceed the amount paid by the sponsor or exhibitor.

Either party may terminate the agreement immediately by written notice if:

- The other party commits a material or persistent breach of the agreement; or
- The other party becomes insolvent or subject to insolvency proceedings, ceases or threatens to cease trading, has assets seized, or has a receiver, administrator, liquidator, statutory manager, or similar appointed.

NZDA may terminate immediately if:

- It believes any material you intend to display breaches NZDA policies, ethics, or stands;
- A force majeure event occurs; or
- The event is cancelled for any reason.

NZDA reserves the right to decline any sponsorship or exhibition application at its sole discretion.

Payment

All prices are in New Zealand Dollars and exclude Goods and Services Tax (GST) of 15%. Full payment is due on the 20th of the month following the original invoice date or prior to the Congress, whichever is first.

To support attendance at the NZ Dental Congress 2026, sponsors, exhibitors, and any companies represented on your stand agree **not** to stage educational courses, seminars, sales or marketing events targeting NZDA, NZOHA and NZIDT members during the blackout period **30 July – 12 September 2026** (four weeks prior to and two weeks following the Congress).

Education and Social Events

To maximise delegate participation, sponsors and exhibitors agree not to host private educational sessions or social events for the duration of the Congress.

Force Majeure

Neither party is liable for failing to meet its obligations due to a force majeure event, provided it:

- Keeps the other party informed,
- Uses reasonable efforts to mitigate the impacts, and
- Resumes performances as soon as practicable.

A force majeure event is an extraordinary circumstance beyond a party's control, such as Government-imposed restrictions or an Act of God (excluding lack of funds).

A party unable to meet its obligations due to a force majeure event may terminate the agreement with written notice.
