Notes

Basis of preparation

This Performance Report is prepared on a cash-basis in accordance with XRB's Tier 4 Simple Format Reporting Requirements. The charity is eligible to apply these requirements and has elected to do so.

Treatment of GST

All amounts are recorded on a GST inclusive basis

(Choosing to report on a GST inclusive is the easier option, because this mean you record transactions as the amounts as presented on your bank statement. GST paid/refunded to the IRD can be included in "other operating and overhead" costs in the Receipts and Payment Statement.)

Related party transactions

Provide a description of **significant** amounts received from or paid to related parties during the period (specify the amounts). If any services were provided for free by or to related parties during the period also describe these here.
Related parties include anyone that has influence over the operations of the entity (for example, officeholders, committee members, trustees and senior management positions).
